Dear Dr Grundy,

Thank you very much for writing to me to highlight your concerns regarding the outsourcing of NHS GP pensions management to Capita.

Thank you for detailing the research you have done into this matter and I am very thankful to you for bringing it to my attention. I am concerned that problems on this issue are continuing and that doctors are not satisfied with the service they are receiving.

I note that you have written to Jill Matthews of NHS England and Caroline Greenwood of Primary Care Support England. I would be interested to see the responses you receive from the two organisations once you have received them?

If having seen those replies you are not happy with the action which is being taken to resolve the situation I would be happy to consider writing to NHS England again.

Thank you for writing to me and sharing your concerns.

Yours sincerely,

A handwritten signature in blue ink that reads "Sarah Wollaston".
